Policy Review

11/06/2022

Line Item	Lincoln Policies Reviewed	MASC Policies Reviewed	Recommendation
1	CA Administrative Goals	CA Administrative Goals	Propose adopting MASC, with minor edits. The Lincoln version was closely aligned to our existing policy AD. Propose moving the last two sentences of Lincoln CA to Lincoln AD, which overlaps this topic.
2	CB School Superintendent	CB School Superintendent	Keep Lincoln, and add parts 2 and 3 of Lincoln's CBCA so that CBCA can be removed. Add "and fix their compensation".
3	CBCA District Administration Priority Objectives		Propose removing, as much of it overlaps with CB - move parts of section 5 into CB.
4		CBD Superintendent's Contract	Don't adopt.
5	CBI Evaluation of the Superintendent		Keep Lincoln; remove parts 4 and 8, as these are covered in Section B.
6	CBI-R Procedures for Superintendent's Evaluation		Keep Lincoln.
7		CCB Staff Relations	Propose adopting. Covered to some extent in Lincoln's CB, however think this should be called out.
8		CE Administrative Councils, Cabinets, and Committees	Do not adopt; covered enough in CB, and superintendent already has this authority.
9	CF School Building Administration		Recommend removing - will likely cover in Section G (GCBB and GCF), and more procedure than policy.
10		CH Policy Administration	Do not adopt; covered in CB and Section G.
11		CHA/CHC DEVELOPMENT AND DISSEMINATION OF PROCEDURES	Propose adopting MASC version. Minor change in deleting fourth paragraph.
12		CHCA APPROVAL OF HANDBOOKS AND DIRECTIVES	Propose adopting with revisions to clarify only discipline is reviewed by School Committee.
13	CHD Administration in Policy Absence	CHD ADMINISTRATION IN POLICY ABSENCE	Propose adopting MASC version, with modification, as it does not leave ambiguity around what arises to "if necessary".
14		CM School District Annual Report	Don't adopt.
