Attn: School Bus Deployment Program

Subject: Letter of Commitment

Dear Grant Administrators:

Lincoln Public Schools is pleased to submit this letter of commitment in support of Doherty's Garage, Inc. as part of the MassCEC School Bus Fleet Deployment Program.

The School Committee recently worked with Doherty's to amend our transportation contract to enable the electrification of school buses. We are committed to supporting Doherty's efforts to pursue grants and implement electric school buses, provided that all terms of the existing contract—particularly cost—remain unchanged.

We appreciate Doherty's leadership in advancing cleaner, healthier student transportation and are proud to support this initiative.

Sincerely,

Matina Madrick, Chair
Lincoln School Committee
