PROFILE

Registered Nurse since 2009. I have held a variety of nursing positions over the years to help expand my knowledge and role as a nurse. Setting backgrounds include: outpatient, observation, medical surgical, educator, school, camp and orthopedics. Each position allowed me to enhance my critical thinking, time management and leadership skills. I enjoy learning new aspects of nursing as this role is constantly evolving to accommodate new evidence-based practices. Previous job descriptions are available upon request for review.
